

July 13<sup>TH</sup>, 2022

## MEMBERS UPDATE

### NWTC Tournaments

There may have been some confusion about the number of courts being used at the recent organized socials “Whites and Woodies”. This tournament utilized all four courts from 1pm until 6pm on Sunday, July 10<sup>th</sup>. In future, it is important for all members to read our Members Updates and social flyers when they are sent out in order to get a better idea of what is happening at our club from day to day. These events are also posted on our general website calendar. If you do not see a designated court or courts for an organized event showing on the calendar, this means all 4 courts will be used.

On that note, the Whites and Woodies was a huge success with an overwhelming attendance. It is certainly something that we should consider doing every year. A big thank you goes out to Anna and Juanita for their organizational talents!

In advance, we would like to advise you that the club tournament is scheduled to commence on Friday, August 26<sup>th</sup> through to September 11<sup>th</sup>, 2022. Tournament entry forms will be sent out some time early next month.
