

PASSING SHOTS

S P R I N G 2 0 2 3

This season already feels like the closest thing we've had to normal in recent memory. I know we're not quite out of the woods yet but the signs of recovery are creeping in. Fans in the stands, fist (not elbows) bumps, more socialising and less isolating, so let's bang those pots and pans together one last time for our outgoing executive teams that navigated our club through this once-in-a-lifetime global crisis. Kudos!

Ok, I'm tired of talking about it and I'm sure you're tired of hearing about it. Let's move on and meet our new executive team for 2023. We'll see you on the courts! 🙌 (fist bump)
