

Member Registration for Adult Sunday and Monday Clinic Programs - Spring 2023

Hi everyone – There are still some registration spaces available for the upcoming May sessions of our Adult Tennis Clinics, you can sign-up using the following links:

[Session 1.1 LINK](#)

[Session 1.2 LINK](#)

[Session 1.3 LINK](#)

[Session 1.4 LINK](#)

As outlined in the information on the attached posters below, [Sessions 1.1 and 1.2](#) of our **ADULT Tennis 2.5 – 3.5 Clinic** and [Sessions 1.3 and 1.4](#) of our **ADULT Tennis 3.5+ Clinic**, will each run for 3 consecutive weeks, beginning either on Sunday, May 14th OR Monday, May 15th. There is an allowance in the schedule for each session to offer an additional make-up day, if needed, for a weather-related cancellation.

Each session will accommodate a maximum of four participants, and is available on a first-come, first-served basis. (*[Sessions 1.4 and 2.4](#) are open for registration to Men ONLY due to court allocation restrictions previously laid out in our Club Calendar.) Once you have hit the link, if your chosen session shows as “Full,” there is an opportunity to add your name to a waitlist for that session. If this occurs, we ask that you please email admin@nwtennis.com to have your name and session request added to our waitlist manually. (We have confirmed through ClubSpark Technical Support that a waitlist feature is going to be available in the next few months, so for now we need to use this manual work-around.) And please know that adding your name to our waitlist will allow us to contact you if there are vacancies to fill in May sessions, should they arise. Also, we will be giving waitlisted members an early priority to register in one of the June sessions. Registration for [Sessions 2.1 – 2.4](#) will be available as soon as spaces fill-up for the May clinics.

Prior to registration, we ask that you carefully consider your level of play using Tennis Canada’s self-rating guide:

<https://www.tenniscanada.com/wp-content/uploads/2015/12/Self-Rating-Guide-English.pdf>

It is important that members self-assess as accurately as possible so that Coaches may offer the same level of instruction to all participants in a session. Please consider the information contained in the posters, as well, in making your session selection.

Finally, it is important to acknowledge that there has been careful thought put into planning additional member access to clinic/lesson opportunities this season. Court allocation is a unique challenge for our Club, with only 4-courts and seasonal outdoor play. However, despite our humble size, we are a Club with a proud history. As an Executive, we are striving to provide our members with access to professional coaching, organized play events, and free access to our courts to just show up and hit some balls. It is a balancing act that we take very seriously. We hope that you will embrace the opportunities provided, participate as fully as possible, and share feedback as you wish.
