

EARLY Member Access to 2023 Summer Junior Camps and Adult & Junior 'Skills' Clinics

Hi everyone – Registration for our upcoming **Summer Junior Camps is AVAILABLE NOW** to NWTC Junior members and the children of Club member's ONLY. As outlined in the information on the attached poster below, we are offering a total of 5 camps. You may choose to register in one or more of these by using the following links:

If your children have friends who have already participated in one of our Camp programs in recent years, but they or their family are not NWTC members, we ask that you wait for us to open access to them by email invitation. The link that we are sharing now is a portal into our ClubSpark system, and it is intended to be used by Club members only this week.

After previous registrants are contacted by email next week, we will also be allowing community registration directly through our Club Website, as in past years. As Club members, we encourage you to take advantage of this early registration window. Our Camp coaches are excited to provide this skills development opportunity to juniors of all levels this summer, and we anticipate that space will fill up quickly.

Information to Club members on how to register for weekly **Adult or Junior 'Skills' Clinics** will follow as early as next week. The Club Executive has been working to identify court time within our weekly Club calendar where access to Private/Semi-private/Group coaching as well as Adult or Junior 'Skills' Clinics is

made available on one court ONLY during select prime time hours on two weekday evenings after 5 pm and late afternoon on Sunday.

We are moving ahead with this initiative on a trial basis over the 2023 Season, and we hope that the added member access to our Club Tennis Pros – Shelley Roxburgh and Jack Pei Xiao – will enrich our Club as we all strive to hit a better ball and gain confidence in our abilities on the court 😊
